The MINI LIP BUTTER BALM Set of SUMMER FRIDAYS has four mini tubes, each color-matched with the limited-edition of shades.

The 0.75-inch (dia. 19 mm) mini PE tubes with slanted-tip applicators are built for lipgloss or lip balm applications, compatible with the plant extracts, providing consumers with easy usage while nourishing lips with natural ingredients.

Decorated with white silk screen printing, and capped with white screw caps, the mini 0.75-inch tubes are perfect for beauty product travel sets and limited edition promotion sales.

Started in 2003, SR Packaging companies in Taiwan, China, Japan, and USA provide refillable, recyclable EBM airless bottles, jars, tubes, sprayers, and pumps incorporating post-consumer recycled plastics and plant-based bioplastics to help skincare and cosmetic brands build success in line with consumer demands and sustainable lifestyles.

In 2024, SR Packaging North America Inc. starts tube production in Allentown, Pennsylvania to enhance supply efficiency, with sales supports from west to east coast
