

Fenty Beauty FAT WATER Hydrating Milky Toner Essence in a 150 ml PCR PET Bottle.

Experience the perfect synergy of luxurious skincare and sustainable innovation with the Fenty Beauty FAT WATER Hydrating Milky Toner Essence. Designed to deeply quench the skin with its signature thick, milky texture, this intensely hydrating formula is encased in a 150 ml PCR PET bottle manufactured by SR Packaging.

It preserves the sensory-rich experience and reflects the commitment to the environment through the use of post-consumer recycled plastics, proving that beauty and eco-conscious can coexist.

BEAUTIFUL

Featuring the iconic, sleek, and premium aesthetic the brand is known for.

FUNCTIONAL

Lightweight, shatter-resistant, and compatible with crafted formulas.

EARTH-CONSCIOUS

Made from PCR (Post-Consumer Recycled) PET plastic and 100% recyclable.

A CIRCULAR ECONOMY FOR THE FUTURE OF BEAUTY.

The cycle starts with the brand, but it continues with the consumer.

By the end of usage, consumers can easily separate the PCR PET bottle and PCR PP cap and recycle both, keeping the sustainable cycle glowing.
