

VI DERM's US-made top-tier quality, from formula to packaging.

As the essential first step of any daily skincare routine, VI DERM's Travel Size Gentle Purifying Cleanser (0.75 oz / 22ml) requires packaging that guarantees both product integrity and on-the-go convenience. To achieve this, VI DERM (vipeel.com) partnered with SR Packaging for a premium, domestically manufactured solution.

Formulated to Purify & Protect

Gentle yet Effective:

The product is crafted to lift away excess oils and impurities without stripping the skin.

The Perfect Prep:

It cleanses without damage, leaving skin perfectly prepped for subsequent skincare steps.

Packaging Engineered for Travel

Smooth Dispensing:

Highly compatible with the formula, the flexible PE tube offers easy-to-control dispensing.

Travel-Tough:

The leak-proof PE tube is engineered to withstand the rigors of transit and air travel pressure changes.

The US-Made Advantage

Quality:

Guaranteed top-tier manufacturing standards.

Reliable Logistics:

Faster, more dependable supply chain turnarounds.

Sustainability:

Reduced carbon footprint versus overseas alternatives.
